■ Bug Reports – AcademyBugs Project

■ ABP-21 – Product quantity cannot be increased past 2

Severity: High | **Issue Type:** Functional | **Frequency:** Every Time | **Environment:** All Browsers

Steps to Reproduce:

- Open https://academybugs.com

- Click the Find Bugs link on the navigation bar

- Add one or more products to the cart

- Click the 'View cart' link on top of the page

- Set the products quantity to 3 or more

- Click 'update' below

Expected Result: The product quantity can be increased past 2

Actual Result: When clicking on the update button the product quantity becomes 2 again

■ ABP-20 – Unreadable symbols displayed in shopping cart popup

Severity: Low | **Issue Type:** Content | **Frequency:** Every Time | **Environment:** All Browsers

Steps to Reproduce:

- Open Home Page

- Click the Find Bugs link in the navigation bar

- Add one or more products to the cart

- Click View Cart at the top of the page

- Scroll down to the Shopping Cart section in the right side menu

- Hover over the Shopping Cart caption

Expected Result: All characters should be displayed clearly and be readable.

Actual Result: Unreadable symbols are shown in the shopping cart popup.

■ ABP-19 – Product description not in English

Severity: Medium | **Issue Type:** Content | **Frequency:** Every Time | **Environment:** All Browsers

Steps to Reproduce:

- Navigate to https://academybugs.com.

- Click on the Find Bugs link in the top navigation bar.

- Select and open any product.

Expected Result: Both the product short description and the full description should be written in English.

Actual Result: The product short and full description are displayed in a non-English language.

■ ABP-11 – Product image not fully displayed

Severity: Medium | **Issue Type:** UI/Visual | **Frequency:** Every Time | **Environment:** All Browsers

Steps to Reproduce:

- Open Home Page

- Click the Find Bugs link on the navigation bar

- Locate the product 'Dark Grey Jeans' and open it

Expected Result: The product image should automatically scale to fit and fill the entire image box.

Actual Result: The product image does not fill the image container. White space appears on the right side.

■ ABP-10 – Page freezes when changing number of results

Severity: High | **Issue Type:** Functional | **Frequency:** Every Time | **Environment:** All Browsers

Steps to Reproduce:

- Open Home Page

- Navigate to Find Bugs from the navigation bar

- At the top left of the product list, click on any button to change the number of results displayed (e.g., 10, 25, 50)

Expected Result: The page should immediately update and display the selected number of products.

Actual Result: The page freezes and becomes unresponsive. Products are not updated correctly.

■ ABP-9 – Page freezes when changing currency

Severity: High | **Issue Type:** Functional | **Frequency:** Every Time | **Environment:** All Browsers

Steps to Reproduce:

- Open https://academybugs.com

- Click the Find Bugs link on the navigation bar

- Open a product

- Change the currency in the right-side menu

Expected Result: The currency is changed as expected.

Actual Result: The page freezes when changing the currency.

■ ABP-8 – Price filter not working

Severity: High | **Issue Type:** Functional | **Frequency:** Every Time | **Environment:** All Browsers

Steps to Reproduce:

- Open https://academybugs.com

- Click the Find Bugs link on the navigation bar

- Open a product

- On the right-side menu find the Filter by Price section

- Select any of the price ranges

Expected Result: A list of products in the selected price range is shown.

Actual Result: The same page reloads without updating results.

■ ABP-7 – Login for Pricing button redirects to blank page

Severity: High | **Issue Type:** Functional | **Frequency:** Every Time | **Environment:** All Browsers

Steps to Reproduce:

- Open the Find Bugs product catalog.

- Scroll to a product (e.g., 'Dark Blue Denim Jeans').

- Click on the 'Login for Pricing' button.

Expected Result: The user should be redirected to the login page or shown a login modal.

Actual Result: The user is redirected to a blank page with no content.
